Actual Cultivators... 40 (School)	General remarks and recommendations by the Inspecting Officer: - The number on rolls this year is 33 + 15 = 48 as against 59 + 11 = 70 of the last year. The decrease is attributed to the abolition of higher standards viz. Std III and IV from the school this year by the State and partly to plague going to which the school was closed from the 10th of October to the end of November 1911. The master is a plain man and has done his duty conscientiously and well. The mathematics of Std IV is rather weak. Drill, Drawing and Object Lessons are fair throughout. The percentage to population is also remarkably good viz. 15.7; but this is partly due to the fact that some boys from the neighbouring village Mantodi attend this school. The class at Madapur was opened on 18-6-1911 owing to plague it was closed from 10-10-11 to 4-12-1911. The master seems to be a hard working teacher and has done his duty well.

Sir,

I respectfully beg to request that you will be so good as to grant me one month's privilege leave on half pay from the 17th instant. The sudden death of my wife yesterday has broken my house and depressed my spirit so much so that I shall at least require that much time for burying my sorrows in the past and for recovery. The present staff of my assistants will manage all the classes in my absence without feeling much difficulty.

2/. Privilege leave asked for by Mr. Kulkarni is due.

3/. When due, such leave is granted on half pay in ordinary years when the school gets the summer vacation and on full pay when such vacation is, for any reason, not allowed in any year. This practice is, of course, based on the provision made in the Civil Service Regulation. Mr. Kulkarni is, consequently, entitled to full pay as the school cannot enjoy the summer vacation this year.

4/. W. S. does not know for certain what practice prevails in British schools. A reference is made to the Government High School, Bharwar; and the reply, when received will be submitted to

in view.

5/. W. S. quite agrees with the
Divan in the opinion expressed
by him in para 3 of his memo;
and proposes that Mr. Lawakar
S. R. be appointed on Rs 15 p. m.
as an additional assistant in
this school for the required period.

6/. A reference is made on this
point to the Head Master, Kanarese
school, who is requested to forward
his opinion to the Divan along
with this correspondence.

7/. It ~~is~~ be plain from the
above that the following points

(a) Full pay to Mr. Kulkarni.

(b) Acting allowance of 20% to

Sir,

When sending up my last ap-
plication for extension of leave.
I had expected to be able to join
duty day after to morrow. But I am
sorry to say that I ^{then} missed the launch.
The recent troubles which I had to over-
go have had a deeper effect upon my
health and the weakness and the
cold chilly sensation which I still feel
do not allow me even to expose
myself to the outer air and thus pre-
vent me from leaving home. I am
therefore obliged to request you to kind-
ness my leave again by a week more
after which time I fully hope I shall
be able to resume duty.

A medical certificate is here with sent.
till the 19th inst. I was taking medicine
from the Civil Hospital Belgaum.

Sir,

With reference to your
office No 365 of 1912 I have the
honour to recommend that Mr. Deshpande's
suggestions should be carried out.

2/. In the Terminal Examination
of 1906 Mr. Ghatigar V. H. had
scored a total of 275 marks while
Mr. Kulkarni H. B. had scored only
a total of 266 1/2.

3/. In the same examination
Mr. Lawakar G. R. passed with grace
marks and his total was not also
satisfactory. These two considerations
might have led me to conclude

that he should not be recommended for the receipt of a scholarship.

4 /. As Godhi G. B. has scored 100 marks more - no small difference - than Gelvigi S. V., I think that the decision of the Educational Inspector in the case of Mr Raghuramacharya Raichur might well be followed.

5 /. The Mahomedan scholarships are not attached to any particular standards but are awarded to the best deserving boys, it being, however, the general practice that when two boys of two different standards show merits so as to allow of no sensible differentiation in an examination, preference is given to the boy

of the higher standard when
making recommendations for the
award of a scholarship.

6/. The complaints of
the students with Mr. Desochar's
reports thereon are returned here-

To,

Respected Sir,

The undersigned most humbly and respectfully beg to lay before your Honour the following few lines for your Honour's kind consideration.

The Headmaster of A.V. School Savanoor has continued the Persian Scholar Ship to the 4th ~~or~~ ^{and} 5th Standard for the last 6 or 7 years.

Now I am a student of 4th Standard and also I have passed the Terminal examination of 1912. Thereby I have a right to receive that Scholar Ship. But the acting Headmaster wishes to transfer that Scholar Ship to the 1st Standard. Therefore I humbly request that your Honour will be kind enough as to give me that Scholar Ship as I am a passed student. For this act of kindness I shall ever pray for your long life and prosperity.

I beg to remain,
Sir,
Yours most obediently

2/. The scholarship in question is
not a Persian scholarship attached
to a particular standard, as is stated
in the application. It is open to all
Mahomedan boys of this school and is
awarded to the best deserving boy with-
out ^{any} distinction of standards. It
was, for instance, awarded in S.E.I

and II in 1905 and 1906 respectively, and in Ytd III in 1907, 1908 and 1909. The applicant's title to the scholarship is, therefore, groundless.

To,

The Dewan of Savanur

Respected Sir,

I, the undersigned, most humbly and respectfully beg to lay before your Honour the following few lines for your Honour's kind consideration.

Sangappa Godhi, a student of The ~~4th~~^{5th} Std. A. V. School Savanur, who was a scholar for the first term of this year, has failed in the terminal examination of this year in Arithmetic.

And as I have passed in all ~~grades~~² the scholarship, should, as a right, be given to me for no successful student has obtained more marks than I. But the present acting Head master has awarded the Scholarship to Godhi by making him pass by grace marks.

In the terminal examination of the 4th Std in 1906 Mr. Kulkarni H.B.

obtained more marks although failed
in one subject, than Mr Ghatikar
V. H. who had passed in all heads.
That time the Headmaster of this
School gave the Scholarship to Mr
Ghatikar & not to Mr Nulkerni, who
had passed by obtaining grace marks.

The same year Mr Savakar
S. R. and other two boys of the ~~1st~~^{5th} std
got only 7 marks in Arith; and they
passed by getting grace marks. Then
the Scholarship, instead of being given
to the boys of the 5th std. was transferred
to the 2nd std for nobody had passed
by getting due marks.

Now, therefore, I beg of your
Honour to consider on these points
and give the Scholarship to the just
man.

Savakar.

Returned with compliments.

2/. The applicant is wrong in supposing that the boy, who passes with grace marks, is as good as plucked. If this view were held to be correct, the established practice of granting grace marks in deserving cases would have no purpose to serve.

3/. The applicant, however, could more reasonably contend that the necessity of the grant of grace marks for a boy to pass, somewhat detracts his merits. But here it is important to determine the extent of such detraction. Between boys of nearly equal merits, he, who passes with grace marks, is certainly inferior to the other who passes without them.

But in a case in which one boy scores 2nd class marks but requires a few grace marks to pass in a sub-head, while the other passes in the third (pass) class without the necessity of the grant of such marks, the latter cannot consistently with reason and justice, be held even to equal the former, much less excel him.

4/. The case in question is very similar to the second example. Godhi C.B., who required the grant of 3 marks to pass in a sub-head, has surpassed Gelvigi, S.V. in bout of 7 heads and has beaten him by a full 100 marks in a total of 550.

5/. Under these circumstances, the undersigned can not bring himself to believe that the mere technicality of the grant of grace marks depreciates Godhi's work to such an extent as to bring him down

to the level of Jelvigi or even lower as Jelvigi apparently contends.

6/. There are at least two cases akin to Godhi's on the school record.

The one is that of Sawakas S. R., quoted by the applicant. The other is that of Raghubaramacharya Raichur.

The decisions in the two cases are, however, conflicting. In the first the Ad Master, Mr Kulthmini has deprived Sawakas of his Scholarship.

There is nothing on the School-record, however, to show the particular reasons that must have swayed Mr Kulthmini to arrive at that decision. In

the latter case the Educational Inspector to whom the case was submitted and who is evidently a high authority in such matters, has awarded the Scholarship to Raichur R. G., remarking that he did so in accordance with

the practice generally followed in
awarding Middle-School, High-School
and Special Scholarships, in his
jurisdiction.

7/11 The undersigned has
followed the decision of the
Educational Inspector for reasons
stated above in para 3.

Ghatikar, the Shikretedars on 12-9-12. On that day they have made some remarks regarding our school. The Copy of it is applied to this report. Mr. Bhalilal had given to our school Rs-16 as-6 pice in my hands. Out of them 6 as-6 pice are spent according to his opinion in distributing sweet-meats among the boys who gave him and his accompaniers a hearty welcome by means of their singing at his arrival to our school. The remaining one rupee has been kept with me as he showed his desire to spend it in giving a prize to a poor
